RECIPE FOR TITO'S VODKA & LEMONADE

Borrow from DJ two blue – 5 gallon drink cooler/buckets

Tape on signs one for reg. Lemonade and one for Tito's & Lemonade

5 gallons is 640 ounces

Tito's Mixture

3 liters Vodka

1 gal (128 oz) Arizona Lemonade

3 gallons of 4C powdered lemonade (pre-mix at home and put in gallon jugs)

3 X 12 oz. frozen Lemonade

Using 18oz cups filled $\frac{1}{2}$ way with ice.

Regular Lemonade for the kids

1 gal Arizona Lemonade

3 gallons of pre-mixed 4C powdered lemonade

3 X 12oz frozen cans of lemonade

Add ice to fill cooler jug to top

Using 18oz cups filled $\frac{1}{2}$ way with ice.

AFTER EVENT FINAL REPORT

All went well. Did exactly as last year. Lots of water left over. Left some in cooler at Old Fish House. About 30 cases at DJ Ruscik's house. A mixture, approx. 3 cases of soda leftover.

Sales were \$2600.00 plus \$82.00 in tips

Counted tickets sold which came to 2300.

To help we hired Dan through Lisa @OFH for \$10 per hour. He loaded kegs into tubs; filled tubs with ice; and had an additional tub just for ice, used all day.
