Good Afternoon Matlacha Hookers,

On behalf of the students and staff of Pine Island Elementary (PIE), we would like to say thank you once again for always supporting PIE. The Matlacha Hookers have been a wonderful community sponsor and we are so honored that you continually support our school community.

Your organization has hosted a fishing tournament yearly where students, staff and members of the community can come together and have a great time for a wonderful cause. The opportunity for students to participate in activities such as crafts, games, and fishing is a wonderful way to make unforgettable memories. Our staff and community members also get a chance to enjoy watching the students fish, listen to music, and participate in fun activities. This is an event everyone loves to attend.

We are truly grateful for your continued support that our beloved Matlacha Hookers have provided to our school for so many years. Your donations have provided us with countless opportunities that would not have been possible without your generous donations. Our children have benefitted with field trips, Allstar Camp, Computer Carts and with your new donation of our new STEAM/STEM labs at PIE.

We are so fortunate to have you partner with us year after year and appreciate your ongoing support of our school community.

Sincerely,

*Thomas C. Millins*
