Grant Committee

Norma Lipson, Ronda Czarneke, Peg Cruckshank

Hi Helen, I let the school know that someone would be calling them to set up a photo op with the check and Principal Hook sometime soon.

As I mentioned, Ginny Neff said that each year there was a photo in the Eagle. She thinks Lori did it last year but Julia will know. I wasn't involved in the presentation part.

The check gets deposited in the school account. (Principal does that or his secretary does it.) And the only thing that happens with us playing it forward, the teachers come back to the June Hooker Meeting and present artifacts of how the money was spent with students. We chose June last year because in previous years we joined Scholarship Presentation with Education Grant Presentation. That was way way too long.

Any questions, just give me a ring.

Peg C
